## RESPONSE TO COMMUNICATION

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450 Sir:

correct the inconsistency.

The present paper is responsive to the Office communication dated April 14, 2006 for the above identified patent application. The Office communication set a shortened statutory period for response of 30 days or one month for responding to the communication. Applicants inadvertently failed to respond within the specified period and therefore submit

In the Office communication dated April 14, 2006, the Office notes that Figure 1C was filed in connection with the above-identified application and that the Brief Description of the Drawings does not describe this Figure 1C. Further, the Office requires Applicants to

In response, Applicants respectfully submit that Figure 1C is not needed to understand the present invention and respectfully request that the Office delete Figure 1C from the present application.

No fee is believed due in connection with this submission; however, the Commissioner is hereby authorized to charge any required fee(s) to Jones Day Deposit Account No. 50-3013. A copy of this sheet is enclosed for such purpose.
